ONLINE COURSES

There are several online courses that may be taken to free up space in your schedule for more electives, or to advance your GPA for scholarship opportunities. Check these out at Florida Virtual School - www.flvs.net
Here are just a few online courses that will count towards your graduation requirements:

DUAL ENROLLMENT

Dual Enrollment classes are open to all Plant students if you pass the PERT test or take the SAT. Taking these classes in place of AP classes will free up space in your Plant schedule for more elective classes and earn college credit if you pass the class with a C or higher. Dual Enrollment is only offered at HCC and you will have to provide transportation to and from HCC.

PERFORMING ART REQUIREMENT

The state requires a Performing Art Credit to graduate high school. We encourage band students to fulfill this during their freshman year – you have been playing for two to three years of middle school. Here are some of the courses offered at Plant that fulfill this requirement: Band, Chorus, Orchestra, Drama, ROTC and Art
